INSPIRE is a National Programme implemented by the Ministry for attraction of talent amongst students to study science and pursue career with research.

INSPIRE Scheme has three components : (a) Scheme for Early Attraction of Talents for Science (SEATS), providing (i) INSPIRE Awards of Rs. 5000/- and (ii) mentorship through global science leaders at a Science Camp; (b) Scholarship for Higher Education (SHE) @ Rs. 80,000/- per year for continuing education at B.Sc. and M.Sc. levels and (c) Assured Opportunity for Research Careers (AORC) for young researchers to pursue doctorate research in Science backed by an assured career opportunity.

Under the INSPIRE Award component, TWO students will be selected from each school of the country during 1st Five Year Plan period for an INSPIRE Award of Rs. 5000/- each for preparing a Science Project / Model. INSPIRE Award Warrant would be issued directly in the name of selected students and sent to him/her through State / School authorities.

All Awardees will be required to participate in the District Level Exhibition (DLE). Best 5 to 10% entries from District will be selected for participation in a State Level Exhibition (SLE). Best 5% entries from the State, subject to a minimum of 5, would be invited to participate at the National Level Exhibition (NLE).
